## **14 – Aluminium Fitter**

**Job Title: Aluminium Fitter**

**Location:** Dubai, UAE

### **Job Description:**

Quantum Innovative Building Contracting is a leading construction company based in Dubai, specializing in high-quality, innovative building solutions. With a commitment to excellence and cutting-edge technology, we deliver projects that redefine standards in the construction industry.

We are currently seeking experienced Aluminium Fitters to join our dynamic team. In this role, you will be responsible for the precise installation of aluminium facades on various commercial and residential projects, ensuring our high standards of quality and safety are met.

### **Key Responsibilities:**

- Install aluminium facades according to detailed technical drawings and specifications.
- Ensure all installations comply with safety regulations and quality standards.
- Work closely with project managers and construction teams to complete projects on time.
- Perform maintenance and troubleshooting on installed facades as required.
- Safely operate tools and equipment needed for installation.

### **Qualifications:**

- Proven experience as an Aluminium Fitter or in a similar role.
- Strong knowledge of facade systems and installation processes.
- Ability to accurately read and interpret technical drawings.
- Excellent attention to detail and problem-solving abilities.
- Physical fitness and ability to work at heights.

### **What We Offer:**

- Competitive salary and benefits package.
- Opportunities for career growth and professional development.
- A collaborative and supportive work environment.

### **Application Process:**

Interested candidates are encouraged to send us their CV along with any relevant certifications to [office@quantum.site](mailto:office@quantum.site).
